NEWS LETTER – NOVEMBER 2021

Presidents Message

Dear members,

As you all know IMA is the largest professional body in the world. Still a lot of young doctors are not coming forward to join IMA.

It is high time that we improve our strength by adding new members our membership campaign has already started.

IMA Membership is very important in that we are having many schemes to look after our professional, financial and health interest as well as various health issues of our community including pandemic. We have a lot of schemes like Professional Protection

Scheme, Kerala Health Scheme, Social Security Scheme, Professional Disability Support Scheme and Pension Scheme etc...

So dear members please come forward join the schemes let us secure our self and our family.

Thanking you
